County officials seeking vendors for Adolescent Treatment and Healing Center

HANAMĀ'ULU – County officials are seeking vendors to provide services for the Adolescent Treatment and Healing Center. The center is scheduled to be completed later this month.

“It is truly a blessing for our children to be healed and treated close to their family and loved,” said Mayor Derek S. K. Kawakami. “I encourage vendors to take advantage of this tremendous opportunity to assist our keiki.”

Proposals shall be received no later than 3 p.m., June 7, 2019, electronically via the Public Purchase System. Applicants interested in accessing and responding to Request for Proposal (RFP) P-0211, assigned by the Division of Purchasing, must be registered as a Public Vendor, Hawai'i Region, and Kaua'i County Agency. New vendors should click on the link to Public Purchase on www.kauai.gov or www.publicpurchase.com to initiate the registration process.

Additionally, deadline for written inquiries is May 31, response for written inquiries is June 4, proposal due date is June 7, best and final offer is June 14, and the tentative award date for vendors is July 2019.

Located on a 5.8-acre parcel donated by Grove Farm, the center will consist of an integrated treatment and healing center with the capacity to provide a comprehensive, collaborative, community-based, clinically-sound, and family-centered infrastructure for delivery

of mental health and substance-abuse related supportive services to adolescents and their families.

The center will include an eight-bedroom residential structure that may be expanded; with additional open space for recreational and agricultural healing activities; and a building dedicated for community and/or professional treatment support services with an attached classroom/training module.

The County of Kaua'i plans to contract the operations of the center to an experienced service provider via a Request for Proposal. Additionally, the Hawai'i State Department of Education will provide a part-time teacher.

The state and the County of Kaua'i funded the project's construction and site improvements.

For more information, you may contact Theresa Koki at 241-4925 or tkoki@kauai.gov.
